How the State Government Works

Q1. What was the problem in Patalpuram? What discussion/action was taken by the following? Fill in the table.

Ans. Patalpuram was facing acute shortage of water supply and sanitation problem. The District Hospital was overflowing with patients – a large number of whom were children with acute diarrhoea.

Public meeting – Condemned the government and protested for the improvement of healthcare and sanitation facilities.

Legislative Assembly – Discussed the issue and decided the course of action. They intend to supply drinking water to every village through tanker trucks. They also explained the steps the government had taken (i.e. Collection of garbage).

Press conference - The minister explained the steps the government had taken. Reporters asked many questions at this meeting. These discussions were then reported in different newspapers.

Chief Minister – They went to visit the families who had lost their relatives and also visited people in the hospitals. The government announced a compensation for these families. Promised to provide sanitation facilities and proper water supply in the region.
