Ans. _____

Winds, Storms and Cyclones

Q1. List some action on the part of people in case of cyclone.

Ans. Action on the part of people in case of cyclone

- i. We should not ignore the warnings issued by the meteorological department through TV, radio, or newspapers.
- ii. We should — make necessary arrangements to shift the essential household goods, domestic animals and vehicles, etc. to safer places; avoid driving on roads through standing water, as floods may have damaged the roads; and keep ready the phone numbers of all emergency services like police, fire brigade, and medical centres.

Q2. What precautions would you take, if you are staying in a cyclone hit area?

Ans. Some precautions, if we are staying in a cyclone hit area —

- i. Do not drink water that could be contaminated. Always store drinking water for emergencies.
- ii. Do not touch wet switches and fallen power lines.
- iii. Do not go out just for the sake of fun.
- iv. Do not pressurise the rescue force by making undue demands.
- v. Cooperate and help your neighbours and friends.
