Public Facilities

Q1. Which age set of children should get compulsory education according to RTE?

Ans. The Indian Constitution guarantees the Right to Education for all children between the ages of 6-14 years.

Q2. Is right to safe drinking water a fundamental right?

Ans. Yes. Right to water entitles everyone to sufficient, safe, acceptable, physically accessible and affordable water for personal and domestic use.

Q3. State the role of government in public facilities.

Ans. One of the most important functions of the government is to ensure that these public facilities are made available to everyone.

Q4. Why should government be responsible for providing public facilities?

Ans. Government should be responsible for providing public facilities in order to ensure that these public facilities are made available to everyone.

Q5. Mention some public facilities that only the government can provide and maintain.

Ans. Some public facilities that only the government can provide and maintain are roads, railways, sanitation, electricity and water supply.

Q6. What is a government budget?

Ans. This is an account of the expenses the government has made on its programmes in the past year and how much it plans to spend in the coming year.
