## Law and Social Justice

Q1. How are the people of working class exploited economically?

Ans. They are made to work for lower pay and for longer hours.

Q2. What does the right against exploitation state?

Ans. The Right against Exploitation says that no one can be forced to work for low wages or under bondage.

Q3. Why do the workers willingly work in unsafe conditions?

Ans. Since there is so much unemployment, there are many workers who are willing to work in unsafe conditions in return for a wage.

Q4. Why are companies and contractors able to violate environmental laws?

Ans. Companies and contractors are able to violate environmental laws because these laws are not strictly enforced.

Q5. What does Article 21 of the Constitution state?

Ans. Right to Life is a Fundamental Right under Article 21 of the Constitution and it includes the right to the enjoyment of pollution-free water and air for full enjoyment of life.

Q6. Who sets the minimum wages?

Ans. The Minimum Wages Act 1948 is an Act of Parliament concerning Indian labour law that sets the minimum wages that must be paid to skilled and unskilled labours.
