Ans. _____

What is Government?

Q1. Why government needs to control resources and protect the territory of a country?

Ans. Government needs to control resources and protect the territory of a country so that people can feel secure.

Q2. When a person can approach the court?

Ans. If a person feels that a particular law is not being followed, for example, that they were not hired for a job because of their religion or caste, he or she may approach the court and claim that the law is not being followed.

Q3. What do you mean by representative democracy?

Ans. In representative democracy people do not participate directly but, instead, choose their representatives through an election process. These representatives meet and make decisions for the entire population.

Q4. Why do you think the government needs to make rules for everyone in the form of laws?

Ans. The government needs to make rules for everyone in the form of laws to maintain peace and order in the society. With the help of laws government establishes equality and justice in the society.
