Q1. What would you do if somebody claims your piece of land?

Ans. I would do the following:

- i. Will file a complaint in the police station.
- ii. Will check the records of lands with Patwari.
- iii. Will consult Panchayat for suggestion.

Q2. Who was Mohan? What did he notice one morning?

Ans. Mohan is a farmer. His family owns a small agricultural field, which they have been farming for many years. One morning Mohan noticed that Raghu had shifted the bund by a few feet. By doing so, he had managed to take over some of Mohan's land, and increased the size of his own field.

Q3. How farmers get a copy of their land records?

Ans. Farmers often require a copy of their land's record together with map of their land. They have a right to this information. They can get the information from the district office or the panchayat office. They may have to pay small fees for this.
