## Rural Livelihoods

Q1. Compare the situation of Sekar and Ramalingam by filling out the following table:

	SEKAR	RAMALINGAM
Land cultivated		
Labour required		
Loans required		
Selling of harvest		
Other work done by them		

Ans.

	SEKAR	RAMALINGAM
Land cultivated	2 acres	20 acres
Labour required	No, labour required	Labour required
Loans required	He needs loan for seeds, pesticides and fertilizers. He takes loan from traders.	He takes loan from bank to run his rice mill.
Selling of harvest	He sells few bag of paddy that he produces to the traders as loan repayment.	He uses his produce in his rice mill and sells the rice to traders in nearby towns.
Other work done by them	He has a hybrid cow. He sells milk to the local milk cooperatives.	He has a rice mill and a shop selling seeds, pesticides etc.
