## What, Where, How and When?

Q1. Why do men and women moved from one subcontinent to another?

Ans. Men and women moved in search of livelihood, as also to escape from natural disasters like floods or droughts.

Q2. What do people of Andaman Islands do to earn their living?

Ans. Most people living in the Andaman Islands get their own food by fishing, hunting, and collecting forest produce.

Q3. What is Cartouche?

Ans. Scholars who could read Greek figured out that the names of kings and queens were enclosed in a little frame, called a cartouche.

Q4. Where manuscripts were usually written?

Ans. Manuscripts were usually written on palm leaf, or on the specially prepared bark of a tree known as the birch, which grows in the Himalayas.

Q5. How is the life of people living in city different from people living in the Andaman Island?

Ans. Most people living in the Andaman Islands get their own food by fishing, hunting, and collecting forest produce. By contrast, most people living in cities depend on others for supplies of food.

Q6. Who gave the name India to our country?

Ans. The Iranians and the Greeks who came through the northwest about 2500 years ago and were familiar with the Indus, called it the Hindos or the Indos, and the land to the east of the river was called India.
