## What, Where, How and When?

Q1. Where was the kingdom of Magadha located?

Ans. In ancient times the area to the south of the Ganga was known as Magadha. Its rulers were very powerful, and set up a large kingdom. Kingdoms were set up in other parts of the country as well.

Q2. How many languages were inscribed on stone found in Rosetta?

Ans. Rosetta is a town on the north coast of Egypt, and here an inscribed stone was found, which contained inscriptions in three different languages and scripts (Greek, and two forms of Egyptian).

Q3. Name some areas where women and men first began to grow crops such as wheat and barley?

Ans. Sulaiman and Kirthar hills to the northwest were some areas where women and men first began to grow crops such as wheat and barley about 8000 years ago.

Q4. In ancient times, people travelled from one part of the subcontinent to another. What kind of danger they used to face during their journey?

Ans. Throughout, people travelled from one part of the subcontinent to another. The hills and high mountains including the Himalayas, deserts, rivers and seas made journeys dangerous at times, but never impossible.
