On The Trail of the Earliest People

Q1. How can we say that the people of Kurnool caves were familiar with fire?

Ans. Traces of ash have been found in Kurnool shows that people were familiar with fire.

Q2. Why people chose to live in natural caves?

Ans. People chose these natural caves because they provided shelter from the rain, heat and wind.

Q3. What did hunter-gatherers do to sustain themselves?

Ans. They hunted wild animals, caught fish and birds, gathered fruits, roots, nuts, seeds, leaves, stalks and eggs.

Q4. What qualities people need to have while hunting animals or catching fish?

Ans. To hunt animals or catch fish and birds, people need to be alert, quick, and have lots of presence of mind.

Q5. Write about the paintings found from Madhya Pradesh and southern Uttar Pradesh?

Ans. Paintings found from Madhya Pradesh and southern Uttar Pradesh show wild animals, drawn with great accuracy and skill.

Q6. Where are natural caves and rock shelter found?

Ans. Natural caves and rock shelters are found in the Vindhyas and the Deccan plateau. These rock shelters are close to the Narmada valley.
